The screenshot shows the CentralDispatch dashboard interface. At the top, there's a navigation bar with 'FIND SHIPMENTS' and 'RESOURCES' dropdowns, and a user profile icon labeled 'CARRIER NAME HERE'. Below this is a notification banner with a red circle '1' highlighting 'Central Dispatch Reminders'. A 'Welcome' message follows. The main dashboard area contains several tiles: 'Quick Links' with 'Manage User' (red circle '2') and 'Resources'; 'Saved Searches' with a search result 'TestSearch1' (red circle '3'); 'Offers' with counts for 'Needs Your Response' and 'Waiting on Acceptance' (red circle '4'); 'Ready Logistics Loads' with a bar chart showing 'Negotiating', 'Dispatched', 'Picked Up', and 'Delivered*' counts, and a 'Total Transports' of 19666 (red circle '5'); and 'Ready Dispatches' with a list of 25 items (red circle '6'). The footer contains 'About Us', 'How Does It Work?', 'Contact Us', and social media links.

Carrier Private Marketplace Dashboard

November 2024

- Graphic view of the total loads assigned, and a breakdown of the status including dispatched, picked up, and delivered. This section will also show the number of loads currently in negotiation via Offers.

6. Dispatches

- A quick view of 50 dispatches outstanding for the driver or account (depending on the user role). With the ability to action from this page for status updates, cancelation, and document viewing. Additional link to be taken to the Dispatches page to see all loads.

NOTE: if a carrier is also a subscriber of Central Dispatch, they will see their outstanding ratings as a widget on the dashboard and see all inventory, not just the private marketplace loads.
